This pdf has been replaced by an automated form! See below for more information:

Petitioning to declare a major/minor requires that you do the following <u>as soon as you</u> have met major qualification requirements <u>and/or</u> reach your declaration deadline quarter, whichever comes first:

- Step 1: Start by logging into [MyUCSC](#) and then click the following link to submit the [Petition for Major/Minor](#)

    - If you are not logged into MyUCSC prior to clicking the petition link, you will need to navigate to your Student Homepage and select the Undergraduate Student eForms tile > Petition for Major/Minor in order to access the form.

- Step 2: Make sure to [follow all of the instructions provided](#) by your major advising office and/or check in with them about the other steps in the declaration process. Petitioning is only one part of major/minor declaration.
