

UC Santa Cruz Three Year Pathway: ECONOMICS **2023-2024 Catalog Requirements**

Three year pathways are most appropriate for students who plan a single major, who have satisfied the Entry-Level Writing Requirement before their first quarter, and who are committed to enrolling in Summer Session. Courses listed as “Any X credit class” may be decreased based on AP or other transfer credit.

This is a sample plan. Work with your major advisor to devise a plan that takes into account your transfer credit, interests, and career goals.

* If needed. Students who place into AM 11A or higher may instead take any 5-credit class.

** Though this course is optional for the major it is highly recommended. Students who choose not to take this class may instead take a different class to satisfy the PR General Education requirement.

***Total credit count includes the 1-unit Orientation Course taken the summer before the start of year 1

The following general education requirements will be satisfied with required courses in the economics major: PE, MF, SR, DC.
