

UC Santa Cruz Three Year Pathway: GLOBAL & COMMUNITY HEALTH B.A. **2023-2024 Catalog Requirements**

Three year pathways are most appropriate for students who plan a single major, who have satisfied the Entry-Level Writing Requirement before their first quarter, and who are committed to enrolling in Summer Session. Courses listed as “Any X credit class” may be decreased based on AP or other transfer credit.

This is a sample plan. Work with your major advisor to devise a plan that takes into account your transfer credit, interests, and career goals.
