Students are admitted to UCSC with a "proposed major" in most cases, and later petition to officially declare the major. Admission to UCSC does not guarantee acceptance into a particular major. Junior transfer students must be officially declared in a major by the deadline in their second quarter of enrollment.

**Major: CHEMISTRY B.S.**

Transfer students must pass equivalents of the following courses with a cumulative GPA of 2.50 or greater:

- CHEM 1A: General Chemistry
- CHEM 1B: General Chemistry
- CHEM 1C: General Chemistry
- MATH 11A & 11B: Calculus with Applications OR MATH 19A & 19B: Calculus for Science, Engineering, and Mathematics
- MATH 22: Introduction to Calculus of Several Variables

For more detailed information see the Chemistry Transfer Admissions webpage: [http://undergrad.pbsci.ucsc.edu/chemistry/transfer-students/transfer-admissions.html](http://undergrad.pbsci.ucsc.edu/chemistry/transfer-students/transfer-admissions.html)

Students are strongly encouraged to complete courses equivalent to CHEM 8A/L and 8B/M, PHYS 6A/L, PHYS 6B/M and 6C/N, MATH 21 or 24 prior to transfer.

Students who have taken college-level transferable classes that may apply to the requirements of this major should submit an unofficial transcript to the adviser prior to July 1, in addition to the official transcript that is required by the UCSC Admissions Office.

**Qualification requirements and/or prerequisites for the major:**

**CHEM 8A/L: Organic chemistry with lab**

**PHYS 6A/L: Introductory Physics 1**

This plan is based on completion of required transfer course work.

**Transfer students who intend to pursue this major should do the following prior to the beginning of their first term...**

**...and should take these courses their first term:**

- CHEM 8A/L: Organic chemistry with lab
- PHYS 6A/L: Introductory Physics 1

**Skills important for success in this major:**

Critical and logical thought, complex problem solving using scientific rules and methods, deductive and inductive reasoning.

**If unable to enroll in courses listed above:**

Please check the Enrollment Section of our web site for updated information about enrollment and wait list availability: [http://undergrad.pbsci.ucsc.edu/enrollment/index.html](http://undergrad.pbsci.ucsc.edu/enrollment/index.html)
