**Major:** TECHNOLOGY AND INFORMATION MANAGEMENT

Importance of an early start: This is a course-intensive and/or highly sequential program, and students who intend to pursue this major must begin taking classes for the major in their first term at UCSC.

Qualification requirements and/or prerequisites for the major:

- Admission to this major is selective. First-year students may receive early admission at the time they apply to UCSC based on their high school record and test scores. Once at UCSC, students will be accepted to the major based on their grade point average in the foundation courses. Detailed information about admission to this major will be available to students in the fall.

- Students with college-level transferable courses must mail or email a copy of the transcript to Baskin School of Engineering Undergraduate Advising by July 1, in addition to providing the official transcript to the UCSC Admissions Office.

   
Frosh who intend to pursue this major should do the following things prior to the beginning of fall term...

- Determine your Math Placement by completing an assessment at [http://undergrad.pbsci.ucsc.edu/enrollment/math/math-placement/mp-aleks-overview.html](http://undergrad.pbsci.ucsc.edu/enrollment/math/math-placement/mp-aleks-overview.html). If you have completed a college-level math course, or have scored 3 or better on an AP or IB calculus exam, you may be able to use that for placement instead of the ALEKS assessment.

- Students with college-level transferable courses must mail or email a copy of the transcript to Baskin School of Engineering Undergraduate Advising by July 1, in addition to providing the official transcript to the UCSC Admissions Office.

...and should take these courses their first term:

Skills important for success in this major:

Skills in mathematics; logical reasoning; critical reading and thinking; analytical writing abilities.
