In the works...

SLR - Process Overview

1. New or 500-level courses
understanding questions
(SLR Light)

2. If SLR Light cannot
make a determination, it
can be transferred to
SLR, directing to My
Academy Information
Page to complete the
online SLR

3. Students not listed
from way request and will
be reviewed by the
Academy Group. The
Academy Group will
contact students
regarding any
documentation required

4. Students can use their
academic status and their
My Academy Information
page

Plan Sequencing

- Change in Federal Reporting Requirements
- incorrect plan sequence will cause Financial Aid processing to fail
- Plan Sequence is now very important
 - Degree - A-Z
 - Minors - A-Z
 - College

Fall 2014 Statistics

14,147	Enrollment
3,065	Grade
2,224	Part-Time
291	GE Posting
4,305	Graduates
19,103	Transcripts

Faillment

- course may be placed depending on
the work
- Review What I Did Process Review
Items
- Register announcements on
academic status and staff
- Notify the final solutions

SLR - Process Overview

1. Time of SIR must answer seven residency questions (SLR Light)

2. If SLR Light cannot make a determination, To Do Item to complete full SLR, directing to My Residency Information Page to complete the online SLR.

3. Students notified their form was received and will be reviewed by the Residence Deputy. The Residence Deputy will contact students regarding any documentation required.

4. Students can see their residence status in their My Residency Information page.

4. Students can see their residence status in their My Residency Information page.

A silhouette of a person with their arms raised in a gesture of triumph or joy, set against a dramatic sunset sky with golden clouds. A semi-transparent text box is overlaid on the image, containing a list of benefits of an online SLR process.

Benefits of the online SLR:

1. Less paper!
2. Students required to answer mandatory questions.
3. No follow-up for missing information on the SLR.
4. Residency process will run more efficiently.
5. Increase productivity overall.

Document Fee

- The Document Fee locks in the current cost of service and covers the lifetime of the degree program.
- One-time fee is charged to all degree-seeking graduates and undergraduates at the first term of entry or re-entry to UCSC.
- Current students will be assessed a prorated fee based at class level at the start fall 2015. Readmitted students will be assessed the prorated fee based on their class level at re-entry.
- Alumni and former students are grandfathered in; no fee is charged unless admitted to a new program or readmit to their program at the time of withdrawal.
