The **<u>REVIEW SUMMARY DATA</u>** section will show you the following information:

<u>GPA:</u> The top GPA (current) shows the evaluated GPA the student has, through the terms that we have grades for. In most cases, this is through Fall 2017, as Spring 2018 is still in progress.

<u>Qtr Units:</u> The top units listed (current) are the units completed, and includes projected Spring units.

Advisory: By the end of the fall 2017 term, a student must have completed at least one chemistry course and one mathematics course, with at least a 2.50 between those two courses.

Please note that major requirements that are a sequence, such as the equivalents to the UCSC CHEM 1A-B-C sequence are not always one-to-one course equivalents.
