

UC Cross-Campus Online Courses

Registration Opens May 18, 2016

Instruction Begins:

Fall Semester – August 17

Fall Quarter – September 23

UC Cross-Campus Enrollment continues to expand as more online courses are developed and offered. High-quality online courses developed and taught by faculty across the UC system increase opportunities for students to take courses they need to graduate on time. All courses earn UC unit credit, with the potential for GE, pre-major or major credit based on campus, departmental, and programmatic requirements.
