

## UC Santa Cruz Course Highlights for Transfers: Winter 2024

Transfer students typically take 1-2 classes for their major and a lower-division elective class for a total of 3 classes (12-17 units). Your major advisor will advise you on courses needed for your major - the classes below are good choices for that “third class.” Your general education (GE) requirements will not be posted until mid-winter. If you know which GEs you need, you can take a GE – but if you don’t you will still have time to complete requirements. All credit-bearing classes count toward the 180 credit requirement. Course descriptions, discussion section information, and a full listing of classes offered in winter can be accessed in the [Schedule of Classes](#). Course information is subject to change.

Note that a course is offered in winter quarter especially for transfer students: *Kresge 25: Successful Transfer to the Research University*. This 2-unit course will help you develop a purposeful educational plan with effective academic strategies and short-and long-term goals, with an eye toward research and/or internship experiences on campus, and eventual graduate programs and career opportunities. Express interest in the course and request a permission number [by submitting this form by November 12th](#).

Class	Class Title	Units	GenEd	Class Days	Start and End Times
ANTH 3	Intro Archaeology	5	SI	TTh	9:50 AM - 11:25 AM
APLX 80	Intro Applied Ling	5	PE-H	TTh	3:20 PM - 4:55 PM
