

**UC Santa Cruz Three Year Pathway: FILM AND DIGITAL MEDIA  
2015-2016 Catalog Requirements**

Three year pathways are most appropriate for students who plan a single major, who have satisfied the Entry-Level Writing Requirement by the end of their first term, and who are committed to enrolling in Summer Session after their first and second years. Courses listed as “Any X credit class” may be decreased based on AP or other transfer credit. This is a sample plan. Work with your major/program adviser to devise a plan that takes into account your transfer credit, interests, and career goals.

\* This course is optional for the major. Students who choose not to take this class may instead take a different class to satisfy the PR General Education requirement.

*The three year pathway for Film and Digital Media can be completed for the general major only. No concentration options are available for this pathway, though the general major does allow students to take two production courses.*
