

**UC Santa Cruz Three year pathway: PSYCHOLOGY
2015-2016 Catalog Requirements**

Three year pathways are most appropriate for students who plan a single major, who have satisfied the Entry-Level Writing Requirement by the end of their first term, and who are committed to enrolling in Summer Session after their first and second years. Courses listed as “Any X credit class” may be decreased based on AP or other transfer credit. This is a sample plan. Work with your major/program adviser to devise a plan that takes into account your transfer credit, interests, and career goals.

* Students who place higher than MATH 3: Precalculus may substitute another course that satisfies the MF general education requirement.

** To successfully complete the three year pathway, students must take Psych 100 during Summer Session of year 1. Prerequisites to this course are PSYC 1, PSYC 2, and completion of the C1 and C2 general education requirements, so it is crucial these classes be completed in the first year.
