NEW STUDENT MAJOR ADVISING SUMMARY FOR 2018-2019 TRANSFER STUDENTS

Students are admitted to UCSC with a "proposed major" in most cases, and later petition to officially declare the major. Admission to UCSC does not guarantee acceptance into a particular major. Junior transfer students must be officially declared in a major by the deadline in their second quarter of enrollment.

Major: APPLIED LINGUISTICS AND MULTILINGUALISM

Qualification requirements and/or prerequisites for the major:

Students must complete level 4 of a non-English language (e.g., French 4, Japanese 4) with a grade of B- or better, or have demonstrated equivalent proficiency prior to declaring the Applied Linguistics and Multilingualism major.

Transfer students who intend to pursue this major should do the following prior to the beginning of their first term...

Students should take a UCSC language placement exam as soon as possible.

...and should take these courses their first term:

APLX 80: *Introduction to Applied Linguistics*
 LING 50: *Introduction to Linguistics*
 Language course (if possible based on availability of language course at the appropriate level)

If unable to enroll in courses listed above:

Use the wait list in the enrollment system; attend the first day of instruction and speak with the faculty.

Skills important for success in this major:

Critical reading skills and analytical writing abilities.
